The Chaos Click is a hip/hop group that originated in Austin Texas with a flavor of music that has never been seen or heard before. The group was assembled by Trauma the CEO of Str8 Ballin Records established in 2001. The Chaos Click has been performing together for years but their friendships date back to early high school years for some, while others are literally family. The group is completed by four talented young men: Trauma, Loose Cannon, Young Smooth, and Dolla. The Chaos Clicks members have been involved in music all through out their life times. Their amazing songwriting skills and their dynamic sound productions are what make the Chaos Clicks music so interesting. Despite the fact that all of the groups members grew up in the same city, whenever they hit the mic their styles are totally different and individualistic. Each members style is refreshing with something new to offer their fans with each verse. Its the Chaos Click and no, Theyre Not What You Are Use To. Tags: hip hop/rap: hip hop
