Even small children will bounce to this. All sounds played and created by Dave 9 MP3 Songs ROCK: Folk Rock, POP: New Wave Details: As a renaissance man David Geertsen composes music from every angle, playing all the instruments, voice and backup vocals. His voice full of passion and rich in melodic strains, has listeners BANGING along as they feel and live what they hear. He writes passionately about humor, love, SHUT THE HELL UP, hello, goodbye, sarcasm, sleep etc. In striving for simplicity he creates lyrics that are powerful, intriguing MAGICALLY RETARDED! This music is not limited to folk, rock, ska, polka, or blues, but a blend of many musical types to form David's own original and unique style. David's heart and soul permeate his music creating a new nightmare with each song. David's Bent Wheel tendencies are derived from his time spent as a semi-pro halfpipe skateboarder skating with the likes of Tony Hawk, Caballero, Blender, Ruff etc. Track six and eight are played with a 1925 Benny Hill sounding sax given to him by his grandfather.
