Excuses For Skipping (efs) is an all-girl band from san francisco who play catchy, spacey yet spikey dream pop. 9 MP3 Songs POP: Dream Pop, POP: New Wave Details: Excuses For Skipping create beautiful tension. What it is: catchy, melodic spacey-yet-spikey pop music." And I say pop in the best sense of the word the kind of music that has you humming the chorus in your head for days but still manages to rise above formula and familiarity often associated with pop music these days. Theyd fit perfectly on a label like 4AD alongside acts such as Lush, the Cocteau Twins or even the more sparse and experimental Throwing Muses, and recall criminally underrated 90s-era bands like New Yorks Ruby Falls or Portlands The Spinanes. -The Deli Magazine 2007 by Chris Ohnesorge
