Sexy, groovy, downtempo dubs. Perfect for the post club chill-out. 7 MP3 Songs ELECTRONIC: Down Tempo, JAZZ: Acid Jazz Details: Once the club's bright lights have burned the shadows, once your last drink's been drunk dry, once you've said your warm goodbyes and made it safely back to your private space. When you're about to kiss yesterday goodbye - That's where you'll find Farfalla. Farfalla is Jah-sun and DJ Husky, two musical explorers who've set their controls for the heart of the Milky Way The new debut CD - Top Tail - is the best aural proof of where these two are at, actually. How they got there: Jah-sun, through a long and heralded involvement in sonics, including stints in ambie-delic rock bands Moonburn, Latino Chrome and the Interstellars, as well as owning/operating his own record label, and DJ Husky - a longtime bedroom groovemaster-musician-producer who's produced a mountain of tracks you'd die to own if only he'd release the goods from his vault. Recorded and mixed by the group at Davenport Industries Studios in Charlotte, NC, Top Tail entrances with grooves that glide and bob, melodies that shimmer, beats that caress, vocals that enthrall. It's slightly chilled and lightly stirred. The soundtrack for you nighttime daydreams. Dance music for clouds. Get lost with them.
