signature lyrics and beautiful ballads along with the sounds of pop, rock and folk 10 MP3 Songs POP: Folky Pop, EASY LISTENING: Soft Rock Details: In Heidi Schwab's second full-length album, Words Can't Explain, you will hear her signature lyrics and beautiful ballads along with the sounds of rock and funk. This album is a wonderful combination of folk, pop, and rock. There is a song for everyone's taste in this culmination. The song Sometimes recently won honors at Berklee College of Music and was featured in the annual songwriting competition show. Words Can't Explain's unique sound was achieved by the efforts of co-producers Tom Dennis, Myles Mangino, and Heidi Schwab. It's sound was made possible by a variety of musician's from Connecticut to England. The end result is music that really speaks it's meaning to the listener. Recent Reviews: Giancarlo (Roma, Italy) I'm not a musical critic, but I like it, I like it very very much. It gives me joy. I like the tunes, the melody that caresses you as the calm waves of the sea or the gentle breeze, that goes directly inside you. ...the lyrics, speak of the ordinary life, the forces of simple and deep feelings (fear and confusion, love and desire) of normal people, like you and me. Laurie Carlsson Heidi blends incredible piano accompaniments with enticing vocals to create well-crafted, beautiful songs. I can't wait to hear more from this artist! More about Heidi: Heidi is originally from Connecticut and was classically trained on piano and voice. Her style mixes the influences of musical theater, classical, folk, rock and pop music. This style is the force in her unique sound. Heidi is now based in Nashville, TN. Check out her website at [heidischwabfor](#) information on shows and other live performances.
