

Mp3 Hitman Blues Band - Blooztown

[DOWNLOAD HERE](#)

Legendary blues and R&B players doing a definitive blues album - there are some heavy hitters at work here. 11 MP3 Songs BLUES: Electric Blues, BLUES: Rockin' Blues Details: The Hitman Blues Band features some authentic greats. Russell "Hitman" Alexander is joined by Bobby Forrester on keys (musical director for Ruth Brown for 26 years), Johnny Gale on bass (a noted force in music since the 60's), Bernard "Pretty" Purdie on drums (world's most recorded drummer) and a special treat on two cuts - veteran jazz vibist Ray Alexander. Blooztown is guaranteed to be a welcome addition to your collection. "From the brightly colored, self-drawn cover art to the crisp guitar riffs this is a CD you can't miss in a crowd." - Good Times Magazine "...style and class" - Blues News "...solid playing by the bunch ...pick this CD up!" - LIE Magazine "keyboards, bass and drums stand out...but it's Russell "Hitman" Alexander's vocals and guitar that put it over the top" - Blues Revue
