Her songs cover a wide variety of topics, from driving, to dating, and even to eating cereal. Jen's new studio CD, Beautiful Day, is a unique blend of up-beat, orchestral, and acoustic music. Bouncy rhythms, smooth vocals, and attention-grabbing arrangements provide ear-candy and entertainment for the listener. Beautiful Day is destined to become a favorite for listeners in search of a special balance between the extremes of deep introspection and happy-go-lucky fun. Listen to her music and see for yourself. You, too, will become another Jen Rathbun fan.
