

Mp3 Joe Loschiavo - Electric Circus

[DOWNLOAD HERE](#)

Instrumental Rock For the fan of Rock Guitar Meant to be played loud. 9 MP3 Songs ROCK: Instrumental Rock, METAL: Instrumental Metal Details: New York Guitarist Releases First Solo CD. Killer chops for the guitar enthusiast. Great playing in the context of listenable songs. Joe's first release was inspired by all the guitar gods And some of the out of the ordinary influences of jazz and fusion. With a diverse mixture of tunes, there really is something on here to please everyone. Guitar Fans Listeners of good music!!! For years Joe has enjoyed playing on tons of sessions, jingles, as guitarist for some of NY most respected theaters,almost every club date in the area(twice)as well as keeping a full roster of very talented students. It was these producers from the sessions as well as several students that kept urging Joe to release a CD of some instrumental material. Indeed, what followed were some very fun times in the studio cutting tracks for THE ELECTRIC CIRCUS. Look for more releases to come from Joe, as THE ELECTRIC CIRCUS is the first in what is sure to be a long series of Cool Fun Entertaining Guitar Playing!!!!ENJOY!!!!!!!
