Christmas classics creatively arranged and performed in the "Dedicated Finger style". Lots of improvising. 10 MP3 Songs FOLK: Folk Blues, CLASSICAL: New Age Details: The CD sounds great. Jeff Schroedl, Hal Leonard Publishing Acoustic Guitar Workshop, UK Review acousticguitarworkshop.com/ Instrumental Solo Christmas Guitar John Sheehan has arranged 10 well known Christmas songs for finger-style guitar. I just about fell off my chair when I heard John's "Silent Night" as I wasn't expecting to hear a solid finger-style blues groove used for such a tune. But it works a treat. As do all the arrangements in fact, which deftly weave the traditional elements of the song with John's imaginative rhythmic and melodic excursions. "Sheehan's medieval 'O Come, O Come Emmanuel' is majestic. Every song on Instrumental Solo Christmas Guitar is enjoyable and will put you in a peaceful and happy holiday mood!" I think this is the best use of that background effect since my Robin Trowers - Bridge of Sighs Album. All kidding aside I've been playing the cd constantly since I got it it's got all the the great qualities of your other cd's and more. I hope to catch up with you soon.
