

Mp3 Jérôme Mouffe - Capriccio

[DOWNLOAD HERE](#)

Virtuoso, Classical Romantic. 10 MP3 Songs in this album (55:20) ! Related styles: CLASSICAL: Romantic Era, CLASSICAL: Traditional People who are interested in Eliot Fisk David Russell should consider this download. Details: A capriccio - or caprice - was not always a form centred on virtuosity alone. If virtuosity of such masterpieces as the Paganini Capricci is very precisely notated nonetheless in this time a 1Ccapriccio 1D was still wedded to a long tradition of pure improvisation. If faithfulness to the received musical urtext increased in the twentieth century, today, in the twenty-first, young players are again resurrecting once forgotten traditions of spontaneity in performance. Thus the present recording is an homage to the early nineteenth century Romantic tradition and recalls that the performer was also expected to share in creativity the final musical result. Cadenzas, ornamented repeats, and a general interpretation of freedom seem to me to be forgotten charms inherent to this music and too often overlooked. Paradoxically, a freer interpretation may yield results closer to the composer likely intentions than a more literal reading or more staid understanding of the word 1Cvirtuosity 1D. It is certainly more fun for the performer and - I hope - for the listener as well. Jérôme Mouffe jeromemouffe.net/
