Details: The new album "Come on Home" is now available!. This new baby of mine has been two years in the making during which I've toured through the country from the east coast to the San Francisco bay area spreading the message of Soul Liberty (Seeking Freedom, Pursuing Happiness through love, and living in truth). The CD features inspiring songs dealing with life's uncertainties such as "Life of Compromise", love songs like "I Love You" introspective acoustic tracks like "Fool's Goal", and social justice messages like "Mr Policeman" (a remake of Date With the Law). It's a mid-tempo project with a little message everyone can relate to sprinkled across the tracks.
