When will the CD MERE MOWLA be out here for our avail ?? I would right away respond Uh ! Mar/21 OR July/11 OR Dec/13 whichever was the next KHUSYAALI date, simply assuming that by then we would have it completed for release Unfortunately either Kamal was switching his Work Position OR I was relocating to another State it never happened until around Dec/2006 when we spoke to each other with KAMAL TAJ being on a Contract in DOHA, QATAR myself relocated to Golden, COLORADO.....is when we decided on FINALLY putting this project together for release. We knew said: Aha !! Both of us (KAMAL MYSELF) almost at the same time..MERE MOWLA was waiting to be released at the GOLDEN MOMENT..... Shukar HIIA,ameen, it did.
