II Kings 3:15 (King James Version) TESTIMONIALS To Church Leaders, I am pleased to recommend the Keeping My Life Devoted (KLD) Ministries of Kenneth L. Daniel, Sr. Mr. Daniel came to Eastbrook Church in March of 2002, not to perform, but to minister to our congregation through testimony and song. His worship was anointed! He was sensitive to the prompting of the Holy Spirit and to the Body of Christ at Eastbrook. As he ministers, Mr. Daniel reflects his personal commitment to the Lord, and to sharing the Gospel of Christ with every listener. His music, mostly original, is powerfully healing and filled with hope. His beautiful voice is even

more powerful, and exhibits a richness that reveals his relationship to the One Who changed his life and set him free. May God continue to bless his ministry. Together in Christ, Georgine Wenzler Pastor of Worship, Music Arts Eastbrook Church Ken; Blessings to you and your ministry! God has truly blessed you with an amazing talent, and we are so happy that you have been willing to share it with us here at Hales Corners Lutheran Church. Our Praise Team and Celebration Singers were blessed by the opportunity to sing with you. I've heard so many wonderful comments about your talents from our congregation, and I pray that many more churches have the opportunity to experience your incredible talents! I look forward to finding more opportunities to involve you in our Music Ministry here at HCLC. I was also most impressed with the presentation you did for our soloist group. Your insights and reflections on ministry were truly inspiring, and I know that you touched many hearts that Saturday morning. Thanks for being willing to open up and share your thoughts and feelings with us. I will be in contact with you soon to discuss your next visit to HCLC! Thanks again Ken, and many blessings to you, your family and your ministry! In His Name, Bill Busch Director of Music Ministries Hales Corners Lutheran Church

Dear Kenneth Family, Thank you so much for the incredible time of ministry and anointing that you brought to our church. You blessed us more than you can imagine. In fact, people still ask about you and your family on a regular basis. Out of all the music ministries that we have brought to our church, your ministry stands out as one of the best. Not only because of your vocal ability and creative songwriting, but because you allow the Spirit of the Lord to sing and minister through you. I've never met a musician/vocalist that is more of a responsibly bearer of the Gospel of Jesus Christ. May God richly bless you and your family for following after God with all of your heart. Our prayers are with you as you continue the journey that God has laid before you. Many thanks, Pastor Justin Chambers
