Presenting to you - the love child of David Bowie, Prince, and Lynyrd Skynrd after all three have stuck their fingers in a wall socket 10 MP3 Songs ROCK: Glam, ELECTRONIC: Pop Crossover Details: Unforgettable choruses backed by music that tickles all your groovy parts. If you feel like tearing loose, or getting in deep then "Unbalanced" is for you. From the opening prayer until the final whimsicality of the wood nympho, "Unbalanced" breathes new life into old skool and explores heretofore unknown regions of pop - all in less time than it takes to construct a working nuclear reactor. Written, produced, and performed by Lance - who's never been accused of being smart enough to know when to quit and who genuinely believes the glass is half there. Oh - for those w/ no time "Sinner" is the quick way in... ;-}
