New world soul: a journey through life love expressed through modern, sweet R&B 12 MP3 Songs
URBAN/R&B: Soul, EASY LISTENING: Love Songs Details: Just Love Before moving back to New York this Brooklyn native grew up spreading the "Love" on stage at night clubs across sunny California. After his solo appearance on MTV's "The Cut" in 97' where he recieved high praises from Brian McKnight "Just Love" has been winning the hearts of those in eyes distance. His name is legally just "Love", which he decided to change after high school. He describes his sound of music as New World Soul, a journey through life and love expressed through all styles of music. Back in New York he's performed at "The Eclectic Ride" hosted by Forest in Joe's Pub (July/2004), been interviewed on the broadcast television show "The New Yorkers" (Nov./2004), and is currently in the studio working on new material with credited producers. Also Record label's have begun to express an intrest for 2006. Love is also starring in two upcoming Independent films that are sure to be a success. So look out, and tell a friend.
