souped up, revved up, full on custom americana rock roll 5 MP3 Songs ROCK: Progressive Rock, ROCK: Modern Rock Details: -Marilyn's Bathdance is a three piece rock roll band from metropolitan Detroit. It's high energy power pop fused with story telling and beat poetry. Their influences cross many planes, and the final result sounds something like dylan mixed with pogues mixed with the meters mixed with nick cave and the bad seeds mixed with husker du mixed with smashing pumpkins mixed with the stone roses mixed with Beth orton mixed with robyn hitchcock mixed with the replacements mixed with johnny cash mixed with p.j. harvey. Yeh, something like that. Lyrical dream pop blended into aggressive garage-core. In the end it's just an addictive compilation of music from dedicated songsmiths. Check it out. Peace.
