Psychedelic pop rock 15 MP3 Songs POP: Psychedelic Pop, ROCK: Paisley Underground Details: Far from the glaring searchlights of the musical intelligentsia, the seed of a daring pop combo lay dormant for decades. Pushed aside in favor of this fresh candy or that stomping flavor of the month, eventually that seed would make its way to the front of the cupboard where light and love worked their magic. Within the confines of this stereo-scopic germination resides the debut album of The Marmalade Army. Allow yourself a feast upon their harvest. Herb Fountainbleu Sonic Rocks Magazine. Life is a plum pie ... so get your thumb in there! - Solomon Thistle The Marmalade Army is a quartet of clever tunesmiths with a talent for writing great and swirly hooks. Is it 1967 or 2008? It doesnt matter, the musics good. Turn on the Hi Fi, put the headphones on, close your eyes and lay back in your bean bag chair. Youve waited a long time for this type of band to come along again.
