Swinging Be Bop based originals as well as standards played by some of the most outstanding artists in the jazz field including James Moody and Frank Wess. A must have for fans of hard swining, toe tappin' jazz. 11 MP3 Songs JAZZ: Bebop, BLUES: Jazzy Blues Details: When ascribing motives to certain recordings, the words "labor of love" are often misused or overused--but not so in the case of Mike Longo's "I Miss You John," a heartfelt tribute to Dizzy Gillespie that musically expresses the deep love and respect felt for one of the century's giants of jazz by his longtime pianist, music director, and friend. This is the sort of music that induced the celebrated Gillespie smile--driving, unpretentious riffs and burning solos. It is also tempered by the occasional introspective ballad and performed with the intensity and commitment the maestro admired.
