

Mp3 Norine Braun - Modern Anguish

[DOWNLOAD HERE](#)

Genreblending blues, folkrock, pop this eclectic songwriter showcases her diversity of styles. 15 MP3 Songs POP: Folky Pop, POP: Quirky Details: Norine Braun's repertoire ranges from ethereal, reflective moods to sizzling bluesy rock that test the limit of popular music. She is inspired by the struggle to find meaning in the human experience. Her lyrics, although provocative, do not lose touch with her whimsical nature. After winning Factor's new talent Demo award Norine independently released her first original cd, "Modern Anguish". Reviews included: "An elastic soprano easily accommodating a bass popping funk rock workout or a spacey blues tinged folkrock song." Tom Heyman listenand "Talented Canadian Singer-Songwriter. First rate."Acoustic Guitar Connections guthriethomasstrings.com The song Dancing Sea from her debut Modern Anguish cd is featured on the tv series Wings Over Canada as were the songs Miles To Go and Goodbye Caramel from her second release Miles To Go. Norine's song Watching Shadows from Modern Anguish is used in the David Kopp film Internicine.Norine Braun is played on CBC, CKUA and numerous college and university radio stations throughout Canada and the US. Norine's first music video is online at norinebraunand also airs on various cable shows in Canada and US and on Pridevision tv.
