Pastor Tommy, was born and raised in the beautiful High Desert of Southern California, as were his parents before him. At one time Tommy played nightclubs for a living, traveling from state to state, he got strung out on drugs and alcohol and became very abusive. As he would return home from the road periodically, he learned that a friend of his had given his life to Christ. This same friend was instrumental in sharing the love of God with him. Years went by and in 1978, Tommy ended up getting married to Monica. Within a year, his marriage was falling apart and his drug habit was out of control. With a failing marriage and his life devastated by his drug and alcohol addiction, Tommy began to call out to God. On March 21, 1979 at a little church called Full Gospel, in Victorville, Ca. Pastor Tommy gave his life to Jesus Christ. Since that time, God has blessed his marriage and set him totally free. Today Tommy is the Pastor of Grace Awakening Ministries which was started from a bible study in his own home. Pastor Tommy has a heart to reach hurting people of all ages, and is committed to the call of God on his life. God has given him music that is anointed to touch people and draw them to a love relationship with our Heavenly Father. I pray that this music touches the hearts of those that hear it!
