KIDS/FAMILY: Children's Storytelling, SPOKEN WORD: Audiobook Details: I love telling stories. I love it so much that I became a full-time storyteller in 1993. What do I tell? Funny, scary, serious, goofy and sophisticated stories, tailored to the audience in front of me. On this CD I'm telling animal stories for young children. You'll find me at festivals, school assemblies and residencies, juvenile detention centers, libraries, house concerts, colleges and coffeehouses. I perform in English, French and occasionally Bulgarian. When I'm with young children, my hand puppets come along for the ride. When I'm performing for older kids and adults, I may bring out stories for more refined sensibilities. I travel around the US and to Europe, telling stories. When I'm at home in my little brick house I tell stories to my cat, Joe Fish. I'm also looking for the best restaurant pie on earth.
