Think pink floyd mixed with the funky sounds of James Brown. this is the best true chill cd we've heard - if your honey is coming over and you want the best chill music - this is it. 10 MP3 Songs ELECTRONIC: Funk, ROCK: Psychedelic Details: Have a listen to just a few of the tracks and you'll get the point... Pink Floyd sounds, with little James Brown funk licks making this a hip, spacey, awesome chill CD. When you're having a party with your friends, or your lover, and you want that chilled mood... THIS IS IT! Ironically, it was produced in straight-laced Singapore... the urge was there to do something way out of the ordinary. ***** If you like this CD, check out: cdbaby.com/cd/somemaynotbe
