The 5th CD in a series of many, is a dedication CD inspired by the man we knew as a true "mountain man". A wonderful collection of rare and different genres, hard to describe. 12 MP3 Songs EASY LISTENING: Mature, NEW AGE: Spiritual Details: "Spirit of the Joe" is the 5th CD in a series of many, and was inspired by the true "Mountain Man" Joe was. This wonderful collection of "stories and memories" consists of a mix of guitar work, some dreamy stuff and, for the first time so far in this series, beautifully harmonized vocals by Rob J. (the Goatman). This CD is the better seller, so far...a "must listen"!! The Band WOZNY PROJECT was born in the summer of 2002 at White Spruce Farm in British Columbia, Canada. They now reside in Bend, Oregon. More on their story on WOZNY PROJECT's official website. Headphones highly recommended for this CD.
