Die folgende Fachbereichsarbeit 'Sexualität mit Hindernis' erörtert sexuelle Probleme, mit denen Menschen mit einem Enterostoma, einem künstlichen Darmausgang, konfrontiert sein können. Um zu verstehen, weshalb überhaupt sexuelle Störungen auftreten können, werden zuerst vielfältige Informationen rund um das Thema Stoma dargeboten. Da Frau und Mann unterschiedlich betroffen sind, werden die Geschlechter in der Arbeit separat behandelt. Mit verschiedenen Tipps rund um das Thema Sexualität und Stoma oder Kontaktadressen von Selbsthilfegruppen soll die folgende Arbeit als Informationsquelle für Stoma-Träger einerseits und für Pflegepersonen in einer Beratungs-funktion andererseits dienen. Abstract English: In the following diploma thesis under the title 'Sexualität mit Hindernis', I will discuss sexual problems that people with an enterostomy, an artificial anus, may have to face. First, in order to explain why patients even experience these problems, I will provide varied information on the issue of the stoma. Since men and women are affected in different ways, this thesis will cover the genders separately. Offering contact addresses for support groups and advice revolving around the subject of sexuality and stoma, the following thesis serves as a source of information for people with an enterostomy but also for nurses and caregivers in an advisory function.
