The mission was always top priority for a Specialist--except this assignment was personal for agent Vince Ferrelli. Though anyone would be hard-pressed to find a tougher operative, Vince had one vulnerability...Katrina Moore."Kat" had been fitted with a new memory implant to protect her identity while undercover. But the device had malfunctioned and put her in serious jeopardy. Only Vince could extract her from the demented organization...if she remembered the love she'd shared with Vince--and not the truth. But pretending that they were a passionate couple would be torture for Vince. Because he still loved Kat. And he sure hoped she wouldn't kill him when this case was closed!
