Internationally renowned Pianist/Composer Genre: Contemporary Instrumentalist Contemporary Classical Pianist/Composer, Ann Dulcify has crafted a signature sound over the course of 6 albums. Often placed in the New Age genre, her style is decidedly unique. Dulcify's music has aired and been reviewed across the world to wide critical acclaim. Her latest CD, "Sapphire Days" recently hit #3 on the New Age Reporter airplay chart making it one of the most played albums of modern instrumental music in North America; her music also airs in eleven different countries. "Reflections" also charted #3 in Radio in 2002 and remained on the charts for 10 months running with this earlier album, "Passage" joining it. Dulcify blends heady technique with heartfelt passion and colors her melodies with synthesized orchestration resulting in a profoundly moving listening experience. Ann Dulcify is quickly becoming one of the most popular new pianists around. Ann Dulcify is a Voting Member of The Recording Academy, an Ascap Popular Awards Recipient for 2002, 2003 2004 and was Sixth Place Finalist for Best New Age/World Song (Orange Band, "Passage") in the JPF Music Awards 2004. JPF received 140,000 song submissions and 10,000 albums from 45 states and 40 countries this year. A truly well-rounded individual and artist, Ann Dulcify is a staunch environmentalist, vegetarian and animal activist. In addition to being a composer and pianist, she is also a professional actress/singer with Actor's Equity, a trained ballet dancer and former female

front to the rock band FALLOUT. She earned a degree in foreign languages from Smith College, studied in Paris and later at the Boston Conservatory. She has six discs available: Reflections, Passage, Prism, Christmas Presence, Sapphire Days and now A Place in the Sun. "After playing Passage a number of times, I am still struck by the sheer magnificence of Dulcify's compositions." New Age Retailer "Gentle and moving, with intense passion". Songwriter's Monthly "Reflective, relaxing soft" LA Jazz Scene "Passage is a lovely album and the overall effect is like sinking into a featherbed of music." Wellness Magazine - Music for Massage
