

Mp3 Colosus - Undiscovered Vol. 1

[DOWNLOAD HERE](#)

This is southern hip hop at its finest. An instant classic. 14 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hip Hop Details: Colosus who also goes by the name of Coly is from the North Dade section of Miami, Fl. Born in Jamaica and raised in the MIA, Colosus is determined to put Miami on the map for something other than South Beach and late night partying. He speaks on the struggle, the hustling, and the lives that have been lost to the streets of Miami. He matches his lyrics with beats that are sure to have your trunk vibrating giving you the perfect blend of creative lyricism and that classic Miami sound. He has been on the local scene in South Florida since 2001 with the local underground hits "Where I Stay" , "Take Them Thangs Off" and "Down Here". Writing is just one of his many talents he is also an recording engineer and one of the best producers to ever come out of Dade County. He is currently running an independent record label alongside his hustling partner Ricardo Pradel. He is also the CEO of Dade Fire Productions, a production company based out of Miami, Fl. Undiscovered Vol. 1 is a cd showcasing one of Florida's Finest artist. On this album Colosus takes you on a trip through the eyes of a young hustler trying to survive on these Dade County streets. Equipped with rapid flows, thought provoking concepts, and some of the tightest production to ever come out of the south "Undiscovered Vol. 1" is sure to be an instant classic. Look for Colosus latest single "Lets Roll" blazing internet radio and underground radio stations throughout Florida. Also be on the lookout for "Undiscovered Vol. 1" in the streets near you.
