Slammin Hip Hop 16 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Hip Hop Details: Bumpin Muzic is the perfect depiction of Urban Mainstream music with artists ranging from hardcore underground hip-hop to mesmerizing R&B. This tantalizing entertainment company was founded in 1999, by aspiring artist turned mogul, Gerald G7 Jackson. Gerald created Bumpin Muzic during his time as a street promoter, promoting for numerous artists from various record labels such as BMG, Sony, Universal and Warner-Electra. While promoting he realized he was surrounded by artists of the same caliber and decided to start making moves of his own. I am tired of waiting for a record deal from a major company so I created my own record deal. The idea of Bumpin Muzic was to give artists like Gerald, the exposure that they not only needed but deserved. These artists represent the life and soul of underground Hip Hop. Everyday you find them on the streets, selling, promoting, and taking every opportunity to perform the music that empowers them. Bumpin Muzic has produced 8 albums thus far including, The Heat Up vol. 3, which landed them an award for Best Group Performance in the Central Valley. With a few local awards under their belt and performances with big name acts, such as Ludacris, Gerald and the Bumpin Muzic family have no doubt that they are ready for whatever comes their way.
