

# Mp3 Electric Folk - Electric Folk

[DOWNLOAD HERE](#)

Rock mixed with folkmusic from Sweden and England. Songs with great vocals, nice grooves, splendid guitars and rock violins. This is how it is supposed to sound, thats all i can say - Bagarn 9 MP3 Songs  
ROCK: Folk Rock, POP: Folkly Pop Details: This group has a sound entirely of their own, which has given them a wide audience. Now (at last) you can listen to their first album (AM006). Electric folk is five young musicians from Sweden, who combines folk music and rock in a way that has not been done since the genre was named in the late sixtees. All songs are written by electric folk, inspired by Swedish and British folk musik, built on catchy melodies and groovy rythms in fast beats(mostly). Arranged in a way that appeals to the rock scene, without giving up an inch of its soul; folk music. The members of electric folk have both Swedish folkmusic and rock in their bones. They also have several years of musical education. (Not to mention their extensive experience from six years of touring Scandinavia!) Malin Foxdal - vocals, Olle Brandin - electric violin, Linus Carlsson -electric bass, vocals, Joacim Kallin - drums, Johan Testad - guitar, mandolin, vocals
