DISASTER RELIEF!! Gary has chosen to donate his ENTIRE wholesale price to the American Red Cross
disaster relief fund. Please support this effort. New from Wish This singer/musician Gary Brown comes
his romantic debut CD, "JOURNEY". An album of love and relationships with a hint of erotic innuendo,
"JOURNEY" stomps from beginning to end, as Gary delivers his smooth vocals over some seriously hip
neo-soul tracks he assembled along with co-producer "J". Songs like "SO INTO YOU" demonstrates
Gary's sexy, bedroom come hither voicing, and the electric funk of tracks like "BE ALRIGHT", "IN LOVE",
and "IF YOU WANNA", adds a spice reminiscent of 80's power funk. So c'mon and take your "JOURNEY"
today!!! (dasoulrecordings.com).
