

## Mp3 Gary P. Lock - Corryhabbie

[DOWNLOAD HERE](#)

Music inspired by and composed within the beauty and tranquillity of the Scottish Highlands; totally chilled orchestral arrangements with piano, pipes, flute, whistle, harp, voice guitar accompaniments. 8 MP3 Songs WORLD: Celtic, NEW AGE: Celtic New Age Details: Truly beautiful, truly memorable. An enchanting mix of Celtic passion relaxing meditative melodies. Rich evocative soundscapes for the mind, body soul. The music on 'Corryhabbie' is very evocative of the ever changing moods and atmospheres of the Scottish countryside. You can focus in detail on the intricate arrangements and explore the depths of the music or simply let the CD's beauty and tranquillity wash over you creating a relaxed atmosphere and a strong sense of well being. 'Corryhabbie' by Gary P.Lock is Part One of the somemusic Spectrum Collection. " My focus for the Spectrum Collection is to write music which is evocative of the spectacular Scottish environment in which I live and work and also to embrace the inspirations of love, the natural world and physical and spiritual well being." Future CD albums released by Gary will also become part of the Collection. The Spectrum Collection will include a range of musical genres and styles being primarily Scottish, Celtic, and relaxation/meditation. 'Corryhabbie' is ideal for personal 'quiet time', it is played in many restaurants and cafes where enhancing the mood is all important and health practitioners also use it as a compliment to their treatments. Released on 30/04/03. Check out somemusic for 'Cairnacay' by Gary P.Lock, Part Two of the somemusic Spectrum Collection ( Released 07/02/05). Best Wishes, Gary, Glenlivet, Scotland.
