

Mp3 Mazdak Khamda - Pieces From A Diary

[DOWNLOAD HERE](#)

Solo piano with romantic, jazz and 20th century influences. Reminiscence of 19th century romanticism in a modern day setting. 18 MP3 Songs CLASSICAL: New Age, CLASSICAL: Contemporary Details: A versatile performer, composer, and teacher, Mazdak Khamda had his first piano lesson at the age of eleven, and began to pursue music as a career in 1992. Mazdak holds a Bachelors of Music and a Masters of Music in classical Piano. As a composer, Mazdak has published works for solo piano, chamber music, and Electronic Music. In 2003, Mazdak released Two CD's. The first CD entitled Pieces from a Diary, is a collection of eighteen original compositions for solo piano. This CD includes tracks such as Farewell, Cross Roads, and Dissolution which have received enthusiastic reviews by critiques and other musicians. Mazdak's second recording entitled Neglected Masterpieces, is a live recording of classical repertoire for solo piano. This CD includes Preludes and Etudes by Karol Szymanowski. In January of 2004, Mazdak completed his third CD in collaboration with cellist Betty Wu. This CD entitled Contemplations, includes some of Mazdak's compositions for chamber ensemble, and his suite for solo piano titled Moods. Mazdak has recently joined Sote (who is one of the Bay Area's premiere electronic musicians) and together they have formed a band called Sonic Death Monkeys. Their world premiere tracks titled Zell, and Sooz were included on a CD release by Dielectric Records in May of 2004.
