A sonic attack of power pop with a punk flavor, clever lyrics and hooky melodies 13 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: Tucson based Nevershine is a blend of pop, rock and punk combined with soaring melodies and enticing harmonies that can only be described as fresh and exciting. Darren and Chris' unique flair for writing and distinctive vocals soar along the dynamic rhythms and textures that only Brian and Tony can lay down. These elements combine to give Nevershine a sound that is quickly elevating them far and above the rest. With musical influences ranging from The Beatles and Elton John, to Led Zeppelin and Radiohead, you can only imagine the unique flavor the band possesses. Each has been playing and performing for years in various other projects, but have never before experienced the tremendous chemistry that is Nevershine. By all accounts, Nevershine is a special and exciting band that must be experienced by all, and when that happens... it's a beautiful thing.
