The Long-Awaited CD from the 1-Man Band from Chi-Town. Where Ol' Skool meets-the-new skool in this R&B/Rap/Dance/Funk/Pop/Hip-Hop-Party Flavor CD. 14 MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: R&B Pop Crossover Details: Hi, my name is NICKO-G., and Im a 1-Man Band that was born 2 give you music right from my heart soul. No matter if its R&B/Soul/Funk/Dance/Hip-Hop/Rock/Pop/Electro/Freestyle/New Age/Jazz - Im always in it 4 the music, and 2 make the listener feel all that Im trying to portray thru my music. If I get you to dance, laugh, cry, feel good inside, forget about your worries, etc., then I know I accomplished my personal goal. When I was 5 yrs old, I started peaking an interest in music by using my mothers' pots, pans, coffee cans, wooden spoons whatever else you can imagine in the house that would make a beat sound just like a drum. By the age of 10, I was picking out notes on a keyboard and putting them together with lyrics that I began writing. At 14, I was recording songs on a 4 track recorder with Drums, Piano, Bass, Guitar and vocals on the tracks. In High School, I was in a few different style bands that played @ a few gigs here and there, but never really went anywhere due to the lack of loyalty the band mates had 4 the music. This really made me get even more into my music than ever before, by writing from all perspectives of everyone around me at the time. I figured if I was the only 1 this devoted, then I should be the 1 creating all the music and showcasing it myself. Not trying to deal with the business side of the music biz, I kept writing and recording whenever inspiration struck me (Sometimes in the early am hours, on my way 2 the job, on the job or even in the shower). Sorry, the last part may be TMI (2 much information), but it's the truth! I then had a baby boy (Nico III.) which made me re-think my responsibilities as a new dad, and I focused more on providing 4 my family. Now in 2007, the wait is over!!!! I am releasing my Long-Awaited CD (thru my own 4-EVER DAD MUSIC label), "The PartyFunkSound"- showcasing just 1 side of what I have been

longing to get out 2 the people 4 so long now. This CD is a collection of 14 songs that I feel should be the 1st group of trax 2 be heard by the people. An uptempo, Back-in-the-Day, Funky, Fresh, Dance Record. Thanx 4 checking out my bio I hope you enjoy my music as much as I enjoyed creating it 4 y'all, as well as 4 myself. Peace I'm out!!! NICKO-G.
