Our style is very versatile, and we have a very commercial sound with a little spanish flava. 17 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Rap Details: The Poetic Hustlas are made up of Versatile and Unique the Poet. They are the owners of the wildly successful Poppin' Collar Entertainment a Hip-Hop Label based out of Las Cruces New Mexico(no it's not a part of mexico). They've been doing their thing for about three years or so and in that amout of time have been on XM Satalite radio, been on NBC, been interviewed and or had their music played on over 15 different radio stations from Texas to New Mexico. In addition they have opened for Mary J. Blige, Tech9ne, and Lil' Rob. Also on their record, they have had over 25 news paper and magazine articles written about them and Versatile has been on the Caleb Crump Show. In addition, they were also approched by the huge Warner Bros. Records in June of 2003 and although they weren't able to reach an agreement and ulimately sign a deal the Hustlas hope this new album will give them the sound scan numbers they need and recognition neccessary to reach the mainstream market.
