Dark, post-industrial, noisecore, ambient, pagan, psychedelic, dubby "songs". The very first album of Poostosh. 9 MP3 Songs in this album (35:32) ! Related styles: NEW AGE: Shamanic, AVANT GARDE: Experimental People who are interested in Controlled Bleeding Rapoon The Hafler Trio should consider this download. Details: Poostosh emerged in 2002 from a previous formation, which was known as Dark Brigade. Misha MOX Salnikov and Andrey Kovalenko with a support of friends started recording their improvisations (guitar, flute, percussion etc) with using mixer, MD and tape players as playing instruments as well. Here you can listen to their first album conjuring up associations with such groups as Controlled Bleeding, Rapoon and The Hafler Trio. It's dark and trippy.
