This is mood musiclight some candles, turn the lights down, and crack open a case of Pabst Blue Ribbon with a bunch of guys who are likely to urinate on your sofa. This is the poetry of the mundane, served in a casserole of straight-ahead Rock and Roll. 13 MP3 Songs ROCK: Roots Rock, POP: Quirky Details: At first listen, Puddin' Head sounds just like you'd expect with a name like that. But listen closer and you'll hear well-crafted lyrics and music that is not as straight-forward as you were lead to believe. This is good American music that is just as good being blasted at a party as it is being listened to privately.
