A real listeners album, it also features lovesongs like Trust Your Heart, a tender version of Shenandoah Waltz and the international charting "No More Tears". Put it on and enjoy. Critics and audiences agree, if you like good singing and good music this ones for you. "Recommended, a jeweled collection, this repertoire is brimful of inspiration." Country Music Roundup Magazine "There isnt a bad number on this disc and his voice is outstanding. . . and his song writing from the top drawer. Im not going to try and pick numbers out for mention as they are all so good. All I can say is get hold of a copy." Pathfinder Magazine His use of words is far reaching and his tunes are indeed a joy to listen to. So is his high tenor voice. . . and this reviewer wonders when this talent will be allowed to step out of the wings and take his well deserved centre stage. Hope reigns. Country Music and More Magazine "I absolutely love this album. What a beautiful voice." Mary Ruth Stamey,WQSL, North Carolina "Great singing, brilliant music." Graham Hassall - Radio Nightingale "Sings Excellently." Music Row "A Powerful Voice." Al Field, Triple U FM Radio "Hell of a Strong Voice -" Bernie Birch "Exceptional!" Peggy Bayne, Radio Heartbeat
