Uptop mentality with a down south flow.amazing. 25 MP3 Songs HIP-HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Where do we start? Straight out of Hustln' City, the female Rykashay has already begun to create a buzz larger than the unemployment line. With flawless flows, soulful singing, and a hint of producing this young lady was bless with it all. Although there's competition none of them compare to the sounds of Rykashay! With 8 yrs. of ryhmin' experience and 3 yrs. of a hustln' grind NOBODY can stop here! Not to mention the fact she's an amatuer boxer willing to fight her way to the top. Knowing the struggles of music she created her own label and studio called, "SumTalkBout Records, Inc." with currently herself, King James, and Paytience holding it down from every aspect of music. Rykashay's no beginner with numerous shows under her belt blazeing states from Atlanta to Texas. Not only does she have excellence stage presence, she was the one of the first to start a hiphop movement dealing with struggling unsigned artist. With thus being said she began "It's Goin' Down Tuesdays" in WS, NC and "It's Goin' Down Fridays" in Charlotte, NC. Both being successful purpose wise, but failed due to the location/club not supporting hiphop music and/or club closing due to slow buisness sales throughout week. That still didn't stop the hustln' mastermind. From this point she began "Unsigned Tuesdays" in Charlotte@ Bahama Mama's. I guess you just can't stop a hustlr, huh? Even though the buisness mind seperates her alone, she also stands out due to her sexual preference. Her music is not purposely directed to the gay market, but happens to fall in place since she keeps a "Bad One". Once again, this hustlr stays on top of her market and began the new "Girls on Girls" Thursdays. This started in Charlotte and is now @ H2O Bar and Lounge in Murfreesboro, NC every 1st 3rd Thursday. She has recently released her mixtape, Re-Up...The Series... "Grindn' Aint Eazy" Vol.1, which are available in stores and

streets! "Audio Crack" her sophomore album is up next for release from this talented young lady. Speaking of albums, her freshman album "Fahrenheit 101", was a double disk head banger ranging from club to R&B totaling 24 tracks. Check out the website and stores to get your copy.
