Susy Martian is a singer/songwriter from Tampa, Florida. After creating and leading dance bands for over 5 years, she has just finished her 3rd cd. The first was with her alt/pop band Ramona Hates Pink; the second was a politically incorrect techno-dance project called J-Glo and Sassy. The latest, a solo cd appropriately called "All Alone", is a story about a relationship. You start out all alone and you end up all alone. But sometimes, it's better that way. You pick up and move on stronger than before.
