

# Mp3 The Hunt Brothers - Changes

[DOWNLOAD HERE](#)

Urban RnB love songs and uptempo dance songs for the smooth groove 12 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: Contemporary urban Details: James David Hunt have been singing, performing and recording together for 18 years. They have performed at school talent shows, recreational centers, night clubs, local cable television shows, and hotels both local and regional. They write and produce their own music and have established their own independent record company called Sweet Images Records. They recently added another member to the group, Mr. James Gipson, better known as E-Mac, who sings and raps. The group is working on another 12 song CD, in which they plan to release in the near future. The Hunt Brothers and E-Mac are all natives of Louisiana, but was raised and attended school in Dallas, Texas where they resides now. Groups or individuals who have influence us are The Temptations, Four Tops, The Miracles, Marvin Gaye, The Delfonics and the Manhattans. The Hunt Brothers are getting air-play on 80 traditional radio stations in the south-east and south-west regions of the United States. We are planning to tour those regions in the near future, we are performing locally at night clubs, hotels and recently we have performed on a local Cable TV in the Dallas-Ft. Worth area. We have traditional distribution with Gonzales Record Distributors, and CDBaby.com. If you want to catch some of our performances please contact us at activatej@aol.com. This CD is a must listen to, check it out. You can check out the Hunt Brothers web site at hstrial-jhunt1.homestead.com Thanks James
