

## Mp3 Trey Gunn - One Thousand Years

[DOWNLOAD HERE](#)

Recorded in between tours with David Sylvian and Robert Fripp, One Thousand years is dense, undulating pools of experimental funk, ethno-trance, mysterious vocals, and dreamy eloquence. 8 MP3 Songs ELECTRONIC: Ambient, ROCK: Progressive Rock Details: Trey Gunns debut solo album.

Recorded in between tours with David Sylvian and Robert Fripp. Musicians: Trey Gunn - Stick, Voice Serpentine - Voice Bob Muller - Tabla, Percussion, Drums Pat Mastelloto - Drums on track 3 Xan - Additional voice on tracks 4 7 "Trey's solo album, One Thousand Years -- an enticing parfait of noir, atmospheric Stick leads and pulsing Stick bass, mysterious vocals, drums, and percussion loops -- provides an excellent indication of the instrument's potential." -- Andy Ellis, Guitar Player "One Thousand Years is an aggressively atmospheric solo album" -- Darren Ressler, Guitar for the Practicing Musician "On One Thousand Years Gunn displays a keen sense of melody and a desire to create borderless, pan-worldly music. ... though it's mostly a quiet, introspective release, relying extensively on soft hypnotic percussion, Gunn lets loose with some steely, savage-sounding distorted Stick. -- Max MacDonald, Impact Magazine "The sheer dramatic imagery and silky textures hint at both a potent new composer on the progressive ethnic-rock plane and a musician who has absorbed more than his fair share of Rain Tree Crow and David Sylvian. Equally amazing is that these dense, undulating pools of experimental funk, ethno-trance and dreamy eloquence were performed on a minimalist bed of Stick, tablas/percussion and occasional voice." -- Darrel Bergstein, I.E. Magazine
