

Mp3 Tyree Lindsey - No Matter What

[DOWNLOAD HERE](#)

A blend of jazz, RnB, soul and pop - delivered with sensuality and emotion. 8 MP3 Songs in this album (30:22) ! Related styles: EASY LISTENING: Adult contemporary, JAZZ: Smooth Jazz Details: This album has been the fruition of a lifelong dream. I've had the opportunity to perform as a singer and musician with many talented artists, but until a few years ago I'd never attempted to write my own music. I knew it was important to get my voice on record, and "No Matter What" is the result! I couldn't be more proud of it! My hope is to inspire others to pursue their goals. I've learned so much throughout this whole process. Not just about recording and producing a record, but about expressing yourself without fear - No Matter What!
