Organic, primitive instrumentation in a contemporary setting. Truly a harmonious marriage of both worlds blending piano, flutes, drums, and didjeridoo. An alchemic celebration of the sounds that were once the voices of all of our ancestors. 13 MP3 Songs WORLD: Native American, WORLD: World Traditions

Details: John Loper is considered by many to be one of the premier players of primitive instruments in the country. His unique style and ability has earned him the respect of kindred spirits everywhere. Performing both traditional songs as well as his own compositions, John shares his exceptional talent for blending contemporary and primitive sounds with audiences from around the world. In this, John's long awaited first release, he continues to reclaim the primitive for all of us. This path, chosen for him by the Creator, is the same path that all of our ancestors once walked. Listen to the haunting sound of John's flute and the drone of the didjeridoo. You will soon find your place on John's path, and hear some of the songs that John hears. You will begin to understand why he and his music are so unique, why his songs have touched so many, and what it means to be an "Earth Born Spirit".
