

The One Year Father-daughter Devotions - , Leon C. Wirth

As girls enter their tween and teen years, it's especially important for them to have an open and growing relationship with their father. Unfortunately, this is often the time when parental relationships are strained. The One Year Father-Daughter Devotions can foster communication and understanding; and it's a wonderful way for a father to bond with his daughter during a crucial point in her life. Each of the 365 devotions begins with an introductory story, then daddy-daughter time provides discussion questions, activities, or other practical applications of the daily lesson. A "What's the Word" section gives a related Bible verse to help bring God's Word alive as father and daughter apply the Scripture to their lives. Written by three fathers, the devotions have a tone that is conversational and relatable: the authors use everything from flavored potato chips to the Etch-A-Sketch game to share truths about God's Word and to help fathers and daughters relate to each other.
