

3d Box Builder

[DOWNLOAD HERE](#)

Create hot buy-on-appeal eCovers with no adobe photoshop, no graphic design experience required, in just a few minutes with one of the best eCover generating software around! What your product looks like MATTERS A LOT, and it takes special skill to create ecovers with adobe photoshop, and it can be very time consuming, but with 3D Box Builder, you can create astonishing eCovers in just minutes. You get to

choose from two different high quality box covers, and a Ebook cover, then simply add whatever graphics you want, and you're done! This is unlike ALL other eCover generator softwares, that usually create low quality eCover, as it creates outstanding quality eCovers, and you can the authors idea was to focus on quality. You will be shocked by the excellent quality! Click the preview link to see it in action! _____
