

Abingdon Old Testament Commentary - Esther - Linda M. Day

[DOWNLOAD HERE](#)

Â The Abingdon Old Testament Commentaries provide compact, critical commentaries on the books of the Old Testament for the use of theological students and pastors.Â The commentaries are also useful for upper-level college or university students and for those responsible for teaching in congregational settings.Â In addition to providing basic information and insights into the Old Testament writings, these commentaries exemplify the tasks and procedures of careful interpretation, to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves. In this commentary, Day addresses both perennial and contemporary concerns pertinent to the book of Esther. Â Attention is given to literary, linguistic, and thematic features of the biblical text. Â Day considers the book of Esther with an eye to concerns of gender and ethnicity, as well as the theological concerns raised by divine absence in the story. Author: Day, Linda M. Publisher: Abingdon Press Illustration: N Language: ENG Title: Abingdon Old Testament Commentary - Esther Pages: 00000 (Encrypted EPUB) On Sale: 2005-11-01 SKU-13/ISBN: 9780687497928 Category: Religion : Biblical Commentary - Old Testament
