College students face a world of adjustments as they take on the challenges of campus life. One of the biggest tests is learning to thrive spiritually in the midst of chaotic and sometimes confusing change. Campus Voices is a collection of spiritual and practical reflections written by students, for students, that take an honest look at the most common difficulties and opportunities that college students encounter. These weekly readings are written by students from a variety of Christian and secular institutions, over 20 schools are represented and each entry opens a window into real campus experiences. Readers will instantly identify with the authentic voices of students finding their way through the maze of college life while growing their relationships with God. Reading are accompanied by journaling space and recommended Scripture readings to further encourage students to thrive.
