

Mp3 Ben Miller - Farther Than The Eye Can Stare

[DOWNLOAD HERE](#)

Rock radio don't miss these radio waves. This CD is getting spectacular reviews. Award Winning artist does cover art on both of Ben Miller's 1st and 2nd Albums. Sounds like Mark Knopfler, Pink Floyd, Jim Morrison, Santana... 12 MP3 Songs ROCK: Modern Rock, ROCK: Progressive Rock Details: Press Release: JackHammerRecords.com For Immediate release "Farther Than The Eye Can Stare" Sept 17th, 2005 The Chicago rock artist is Ben Miller with his 2nd CD release party. Rock radio, don't miss these sound waves!! Suave style and great writing. Surpassing gatekeepers and red tape is what we do best at Jack Hammer Records! The album is "Farther Than The Eye Can Stare" and is Ben's second CD but first released in the Rock category by JackHammerRecords.com. Ben continues to display blistering guitar work and strong vocals. The census says its a smooth mix and unique sound. There are no weak songs at all so just let it spin. 12 songs including 2 instrumentals. How about this for a CD cover? Intense! This CD is quite unique with a scratch board cover art drawing by an "Award Winning" Chicago artist. Bens debut acoustic folk/blues CD "Each Everyday" is also available by clicking on the link down below. All radio, magazine, film, art, music promotion is encouraged to contact WWW.JackHammerRecordsfor promotional copies.
