

Mp3 Christopher Ferris - A Chime In The Woods - 2005

[DOWNLOAD HERE](#)

Live solo piano performance. Dreamy, lyric improvisation blending Keith Jarrett, Chopin, Stravinsky, Chick Corea and Debussy. 8 MP3 Songs JAZZ: Free Jazz, CLASSICAL: Contemporary Details: Christopher Ferris (aka Interkosmos) is a visionary artist who defies categorization. He is a prolific and polished composer; he is an accomplished performer remarkable especially for his extraordinary gift for improvisation. His music reflects his many years of classical training, yet his original style stands out whether in solo piano performances or in his electronic dance music. Ferris considerable talents extend in all directions, including graphic design, studio production, business management, and many others. His vision, combined with his infectious enthusiasm and relentless drive, promises a bright and fascinating future.
